

# Make play dough with...

# Glitter

Add some sparkle to your play with Glitter and his play dough!

## What You Need:

- A mixing bowl
- 1 measuring cup of washing up liquid
- 1 bottle of PVA glue
- Blue food colouring
- 1 lollipop stick
- Cornflour
- Gold coloured glitter
- A grown-up helper

## What You Do:

1. To start, make sure your mixing bowl is washed, clean and dry.
2. Pour out 1 measuring cup of washing up liquid into the mixing bowl.
3. Then, squeeze out lots of PVA glue all over the washing up liquid.
4. Add 3 or 4 drops of blue food colouring to the mixture.
5. Using your lollipop stick, stir everything together well so that it is totally mixed and all one colour.
6. Measure out 1 cup of cornflour and add this to the bowl, continue to mix this in with your lollipop stick until all the cornflour disappears.
7. Now pour in lots of glitter and stir into the mixture until it sparkles.
8. To make the mixture thicker add in another measuring cup of cornflour and stir until it starts to clump together.
9. Add in one last sprinkle of glitter, and then comes the really fun bit!
10. Using your hands, knead the dough together until it feels soft and squidgy.
11. There you have it, your fun Glitter play dough is complete and perfect for some Cheeky play!

**Cheeky Monsters reminder: Take care around little ones, this dough should never go in your mouth!**
